内罗毕，肯尼亚首都，世界上唯一一个以国家公园作为边境的都城。内罗毕国家公园与内罗毕市区仅用栅栏相隔，在公园内甚至能看到市区的高楼。内罗毕国家公园及其独具一格的旅游景观，使这里成为热门旅游城市。

如果你认为，来肯尼亚内罗毕，除了各种动物木雕，就是很难说好吃的肉干，那你就OUT啦。下面就让小编向你一一道来，趁下一个长假到来前，可以开始攒钱啦！

## 留下你的足迹，带走一片铜树叶

关于肯尼亚的旅行手册，大多会在扉页或是“实用贴士”第一条上提醒大家，“除了照片，请什么都不要带走”，“除了你的足迹，请什么都不要留下”。保护自然环境和野生动物及其栖息地是来肯尼亚旅游的每一位旅行者的承诺。爱极了肯尼亚的植被和生灵，那就带一片黄铜树叶回家吧，让肯尼亚的自然气息再停留得更久一些。

## 好物哪里买？

以上好物大部分来自以下店铺：

**MATBRONZE Wildlife Art**

地址：No.2 Kifaru Lane, Karen 00502, Nairobi

网址：www.matbronze.com

**Utamaduni Craft Centre**

地址：Bogani Road East, Off Langata South Road, Nairobi

## 记住它们，从脚印开始

比起把整只动物雕刻扛回家，带回一只动物脚印，会不会显得内敛闷骚又高逼格呢？

这些动物脚印出自肯尼亚艺术家之手。做成摆件的动物脚印大小不一，种类也不少，最受欢迎的是狮子和猎豹脚印，不过，瞪羚、长颈鹿、犀牛、大象的脚印也是萌萌哒招人爱。除了摆件，做成挂坠的脚印是女生的不二之选。

把脚印印在红酒支架上，别致又实用。年底送给爱酒人士，一定是最“笔芯”的圣诞礼物。

## 动物动物，欲罢不能那就统统拿下

几乎每个肯尼亚人都能在第一时间报出他们最爱的动物。种类多过十种的羚羊类型，他们大多都能说出不下六七种。

非洲的动物对它们来说，熟悉得像是家人。也正因为是这样，他们画笔下、刻刀下的动物们都有种与生俱来的灵动。还等什么呢，火山石雕刻、动物小像餐盘、油画、水彩画，统统收了。

## 串珠密密缝，带上风情和淳朴

大部分女生面对肯尼亚的彩色串珠制品是毫无抵御能力的。

串珠皮带、镶着串珠图案的包包、钥匙扣都是亮眼又不打眼的好物。

## 咖啡和茶，留住肯尼亚口感

想要把旅途中的美好时光拉长再拉长，或许把美食带回家最奏效。那就带上肯尼亚的咖啡和茶吧。有了肯尼亚的醇香口感相伴，焦躁漫长的工作日不再绝望。

肯尼亚的茶叶风靡全球，价格十分公道，当地超市是购买茶叶的好去处。

肯尼亚咖啡在世界咖啡列表中排名很靠前，Java这个咖啡品牌在肯尼亚比较流行，品类也多。AA等级的价格在6美金/250克左右。

## 大手笔，椅子箱子统统运回家

肯尼亚的木雕设计和工艺那是相当不错，尤其是海岸地区的拉穆岛，岛上的传统木工坊依旧延续着传统老手艺。

带回一把游猎折叠椅，或是一只《走出非洲》年代的旅行箱，想想就很酷。

Nairobi, the Capital of Kenya, is the only capital city in the world with a national park within its boundaries, making it a prime tourist destination as well, with several other tourist attractions. The park and the Nairobi downtown area is only separated by fences. We could even see the buildings of Nairobi from inside the park.

You are outdated if you think you can only shop animal-shaped woodcarvings or dried meat in Kenya Nairobi. Well, please read the following part so that you can plan a trip to Kenya in your next holiday.

### *Leave your footprints and take a bronze leaf*

Most travel guidebooks about Kenya would remind tourists on the front page or in the Tips, "Please don't take anything out of Kenya except photos", or "Please leave nothing in Kenya except your footprints". All travelers to Kenya are required to make commitment to preserving natural environment, wild animals and their habitats. Love plantation and wildlife deeply in Kenya? Just bring home a bronze leaf so that natural atmosphere of Kenya will stay longer with you.

### *Remember them by seeing their footprints*

Compared with bringing home the animal-shaped woodcarving, is it more rational and low-profiled just to bring

home the footprint of an animal?

These animal footprints are made by Kenya artists. As the ornament for display, these animal footprints have different sizes. The most popular ones are footprints of lions or leopards. However, the footprints of gazelle, giraffe, rhinoceros and elephants are also very cute. In addition to display ornament, these footprints can also be made into pendants, which are so loved by girls.

It is really practical and imaginative to print footprints on the red wine support. It will be the most beloved Christmas gift for the fans of wines.

### *Take home all animals*

All Kenya people have their favorite animals. And they can tell the names of almost all the more than 10 different gazelle species.

They are familiar with African animals like their family members. Because of this, the animals carved or painted by them have become so vivid. What are you waiting for? Just take home all the volcanic-stone carvings, plates with animal portraits, oil paintings and color paintings?

### *Bead string carries innocence and romance*

Most girls would immediately fall in love with colored bead strings in Kenya.

The bead string belt, bags and key ring with bead string patterns are so attractive for tourists.

## Kenya coffee and tea remind you of the country

Want to lengthen the beautiful hours in your travel? You had better bring home the local cuisine. We propose you bring home the Kenya coffee and tea because in their company, you will never be driven crazy by the long and dull working hours.

Kenya tea is popular in the world with affordable price. You can purchase tea in the local supermarket.

Kenya tea is at the top of world list of coffees. Java is a popular coffee brand in Kenya, which is presented in many types. The grade-AA coffee is sold at USD6 per 250 grams.

## Bring home chairs and boxes from Kenya

Woodcarvings in Kenya are exquisitely designed and carved. On Lamu Island on the coastal region, in particular, woodcarving mills still carry on the traditional techniques.

Is it really cool to bring home a folding chair for hunting or the suitcase in the era of Out of Africa?

### Where to buy?

Most of the above-mentioned items can be purchased in the following shops:

### 什么不该买

#### *Don't buy the following things*

请放弃购买象牙、犀牛角、动物皮毛、野生动物制品。

没有买卖，就没有伤害！

另外，如果没有得到专门许可，黄金、珠宝也在禁止出境肯尼亚的物品清单中。

走进非洲，当你看到象牙、犀牛角、动物皮毛和野生动物制品时，要坚决说“NO”！要知道，没有买卖，就没有伤害！

试想一下，一个没有了自由奔跑的动物的非洲，还是非洲吗？

Please don't buy ivory, rhinoceros horns, animal furs or products of wild animals.  
No business, no harm.

Without special permit, gold and jewelry are also in the list of items forbidden to leave Kenya.

When seeing ivory, rhinoceros horn, animal furs or products of wild animals, please say no firmly because no business, no harm.

Imagine the Africa without freely-moving animals. Is it still Africa?
